The CDX-TRAction weekly newsletter is published on Wed. mornings by CDX, Inc. — Connecting Nashville's music industry and country radio for over 25 years. For more information call 615-292-0123 or email VP/GM Joe Kelly- joe@cdxcd.com

Sam Hunt Leaps to #1 and Kenny and Pink show out!!!

Dear Readers;

First things first. I'd like to extend a warm welcome to Steve Kelly at KKAJ-FM and Dave Sommers at WTVY-FM, who are both new to the TRAction Monitored panel. We'd also like to recognize WMEV-FM and KDKD-FM who have made recent changes that we are proud to champion. Kudos to you both.

What a week for Sam Hunt. Congratulations to **SAM HUNT** and all the fine folks at **MCA Records (UMGN)** for jumping to **#1** with "Make You Miss Me." Kudos all around also for **KENNY CHESNEY (FEATURING PINK)** and our friends at **Columbia Nashville (SMN)** for capturing **Most Added** (41 new Adds!) and **Greatest Spin Gainer** (+634 spins!) We are very excited to see the following make their chart debut this week. Congratulations to the following...

- 67 BRANTLEY GILBERT/The Weekend/Valory Music Co. (BMLG)
- 69 BAND PERRY, THE/Comeback Kid/Mercury Records (UMGN)
- 72 FLORIDA GEORGIA LINE (FT. TIM MCGRAW)/May We All/Big Machine Records (BMLG)
- 76 LAUREN ALAINA/Road Less Traveled/Mercury Records (UMGN)
- 79 ERIC PASLAY/Angels In This Town/EMI Records Nashville (UMGN)

The following stations are frozen this week due to falling below the 95% uptime percentage threshold. As you may recall, to protect monitored songs from large, unintentional week-over-week spin losses, each station's stream has to maintain a 95% uptime during the monitored period to be included in the chart calculations. There are many reasons a stream can have trouble and most times they are easily fixed. Once a stream returns to 95% uptime for future chart periods, we revert back to the station's current detections for chart calculations.

FREE CONTENT FOR YOUR STATION WEBSITE!

Wanna take your listeners on a ride through Music Row? Well, here is your chance! The Test Drive showcases country music's brightest newcomers and legendary hit-makers in a 3-5 minute vignette giving your listeners an exclusive insight on what they are currently doing. Whether a new artist releasing their first song to radio or a legend reminiscing about their past, The Test Drive brings something special for your listeners to enjoy!

It's very simple. We will provide your webmaster with an embed code to place on your homepage. Once that is done, The Test Drive will change every 1st and 15th with a new artist and you have to do nothing more. How can your station make money from this? Well, you can sell it to local car dealers just like WLKV did.

TESTIMONIALS

"We released a single to radio and launched it to stations using The Test Drive. It was the first visual of "I Love This Life" that radio and fans got to see. Now, we are celebrating a Top 10 national Billboard hit with this song, but we always remember it had to start somewhere and that was on The Test Drive."

-Preston Brust,
member of LOCASH

"The Test Drive helped expose my music to program directors that initially would not give my song a listen. Having listeners hear it on the station's website really made a difference in getting the station to add my single, which went to #10 on the Music Row chart. I think The Test Drive along with my promoters working hand in hand really helped deliver a Top 10 single for an independent artist."

-Erica Nicole

"I think The Test Drive is one of the coolest things I have done in a long time. Having hits in the 80s, I thought I would never see my songs or projects showcased with radio today. Boy, I was wrong! I did The Test Drive and got more Facebook posts and emails to my website than you could imagine. Fans thought I had retired, but once they saw me on those station websites, they realized I was still recording and touring. The Test Drive was invaluable to me in spreading the word on my new Legendary Friends & Duets project."

-T.G. Sheppard

"I first learned of The Test Drive from my radio promotions gal Jan Woods. She recommended that I use the service and it helped me land my first Top 40 single on the Music Row chart, with my debut single. I have used this service twice now, and my second single had gone Top 30. The Test Drive gave me exposure in front of these radio programmers that I otherwise would not have received."

-Denny Strickland

"I love the concept of The Test Drive. It allows us at Curb Records to showcase our artists to radio stations that we may not get a chance to visit while on a radio tour. Getting the feedback from the stations on what their audience is saying about the single and artist is great information."

-Jeff Tuerff,
VP/Marketing
