A Special Announcement

Dear Readers;

We have an announcement regarding our distribution of Mainstream Country music. Going forward, CDX Nashville will now be offering two separate forms of distribution: Digital Only and Full Package.

With Digital Only, you will be able to digitally service your track out to Country radio in the form a standalone Country e-blast. You will be given three blasts that go out whenever you'd like, as long as we are given sufficient notice. The cost of this will be \$650 per single.

With the Full Package option, you will receive the same benefits as the Digital Only package, but will also be a part of one of our upcoming hard copy volumes that go out on a scheduled release date. Your single will be compiled together with other music, from indies and majors alike. Other benefits will include being part of multiple compilation blasts, a 35% discount on all of our chart newsletter and web advertising and the option to visit our offices to film a live acoustic performance of your music that we will then post on our website and social media. The cost of this will be \$1400 per single.

With this new distribution change, we are also announcing an update to the release format of our volumes. Volumes will now be released every 9 weeks instead of the regular 3. This will allow artists more time to ready their music and promotion efforts. We will be updating the release schedule on our site this week. If you have any questions, you can contact me at joe@cdxnashville.com. Questions can also be directed towards Sean Dugan at sean@cdxnashville.com or Mark Piland at mark@cdxnashville.com. Now, onto this week's chart highlights!

LUKE BRYAN and **Capitol Records (UMG)** keep the #1 spot this week with "What Makes You Country!" **CHRIS YOUNG** and **RCA Nashville (SMN)** take the honor of *Most Added* with "Raised On Country!" **LUKE COMBS** and **River House's** "Beautiful Crazy" is the *Greatest Spin Gainer* this week.
