New music March is on!

Dear Readers;

Hearts are light and there's a renewed feeling around the CDX building this week as it appears Spring is here (or arriving) and we have an abundance of great music to deliver to country radio. We've been hopping from meeting to meeting these past few days and hearing the singles we are servicing in the coming weeks makes us as excited as a March hare. You should be too...great stuff coming!

We are also very excited to look at the chart this week and see our customers doing so well on the TRACtion Monitored Chart. We need to point out a few and send out hearty...CONGRATULATIONS to Carrie Underwood and the team at Sony Music Nashville for grabbing the top spot this week with "Heartbeat".

The Most added single to the TRACtion Monitored Chart also makes its chart debut this week... congratulations to the team at EMI Records Nashville and Brothers Osborne (UMGN) for being MOST ADDED (21) and debuting at #48 with "21 Summer". The GREATEST SPIN GAINER kudos this week are sent to the Team at Valory Music Co. (BMLG) and Thomas Rhett for their awesome 334 spin increase on "T-Shirt". Also, congratulations to the following for making their chart debut this week:

BROTHERS OSBORNE/21 Summer/EMI Records Nashville (UMGN)
SAM HUNT/Make You Miss Me/MCA Records (UMGN)
A THOUSAND HORSES/Southernality/Republic Nashville (BMLG)
MATT GARY/It's On You/17 Music Entertainment (in2une)
JASON PRITCHETT (FT. BILLY DEAN)/Already A Dead Man/BDMG
PETE SCOBELL/Walkin' A Wire/FrogBonz Entertainment

A famous man once asked the question "What is truth?" Here at CDX, our truth is about creating connections. Whether it's within the industry or between musicians and listeners, our goal with TRACtion is to establish a strong foundation with these connections and spread positive change across the spectrum of country music. Onward!

Stay tuned,
Joe Kelly
