Getting Behind The Data

Dear Readers;

We've hurdled around the halfway point for March, and at CDX the energy and momentum continues to build. To say we've been busy would be an understatement. But with that energy we're enabling some incredible music to reach more and more people. It's beyond thrilling and it only gets better!

So, you have seen the chart. Now, let me tell you a little about what is behind the chart, and what you will be able to see very soon. Last year we invited several people into the TRAction (Ver.1) tracking software as beta testers. We took feedback and made some discoveries on how it could be better and went back to the drawing board. We have recently completed the overhaul and Version 2.0 is nearly ready for release. We will be inviting some of the early beta group back in by the first of next week. We hope to have an invite only release to the public shortly after that. A 30-day free trial will be in place. After that, subscriptions to the tracking data will be available. Once you have access, you will be able to see individual songs and where they are being played (detected.) You will be able to look at individual stations and see what they are playing. You will be able to see in what day-part songs are being played. You will be able to see the 24 hour, 7 day, 14 day, and 28 day stream health of each station in TRAction. (Remember, stations MUST maintain a minimum 95% uptime percentage in order to count in this week's chart.) We have very high confidence in the degree of reliability of our data. On to this week's highlights...

Congrats to Brett Eldredge and the team at ATLANTIC (WMN) for grabbing the top spot #1 with "Drunk On Your Love" Also, kudos and high fives to their teammates at Warner Bros. Records (WMN) for landing the MOST ADDED with Blake Shelton "Came Here to Forget" (32 Adds).

Big shout out to Old Dominion and RCA Nashville (SMN) for getting the greatest SPIN GAINER of the week with "Snapback"!

Lastly, we wish to congratulate the following for debuting on the chart this week!

BLAKE SHELTON/Came Here To Forget/Warner Bros. Records (WMN)
JAKE OWEN/American Country Love Song/RCA Nashville (SMN)
SHANE OWENS/Where I'm Comin' From/AmeriMonte Records
BRIAN COLLINS/Healing Highway/Blue Light Entertainment LLC
CHASE RICE/Whisper/Columbia Nashville (SMN)
ERIC CHESSER/I Can't Read Your Mind/BIG BIG Records Nashville

We are currently accepting music for CDX Digest blasts, Instatrack blasts, and Volume 632 distribution to radio. Please submit assets at: <http://www.cdxcd.com/artist-label-upload-center/> We remain, oldest in service, youngest at heart!

In spite of this, the focus and concentration of all our work remains to bring good music to as many folks as we can, and we'll continue to do so with pride and confidence. Onward!

Stay tuned,
Joe Kelly

SHANE OWENS "Where I'm Comin' From"

Not since 1985 when Randy Travis brought the "Country back to Country Radio" has there been a voice and an artist as good as Shane Owens. You can feel the raw emotion of true Country in every song Shane sings!

Along with Stapleton, Shane is another great example of true Country at its best!
