# FREE CONTENT FOR YOUR STATION WEBSITE!

**W**anna take your listeners on a ride through Music Row? Well, here is your chance! The Test Drive showcases country music's brightest newcomers and legendary hit-makers in a 3-5 minute vignette giving your listeners an exclusive insight on what they are currently doing. Whether a new artist releasing their first song to radio or a legend reminiscing about their past, The Test Drive brings something special for your listeners to enjoy!

It's very simple. We will provide your webmaster with an embed code to place on your homepage. Once that is done, The Test Drive will change every 1st and 15th with a new artist and you have to do nothing more. How can your station make money from this? Well, you can sell it to local car dealers just like WLKV did.

## TESTIMONIALS

"We released a single to radio and launched it to stations using The Test Drive. It was the first visual of "I Love This Life" that radio and fans got to see. Now, we are celebrating a Top 10 national Billboard hit with this song, but we always remember it had to start somewhere and that was on The Test Drive."

-Preston Brust,  
member of LOCASH

"The Test Drive helped expose my music to program directors that initially would not give my song a listen. Having listeners hear it on the station's website really made a difference in getting the station to add my single, which went to #10 on the Music Row chart. I think The Test Drive along with my promoters working hand in hand really helped deliver a Top 10 single for an independent artist."

-Erica Nicole

"I think The Test Drive is one of the coolest things I have done in a long time. Having hits in the 80s, I thought I would never see my songs or projects showcased with radio today. Boy, I was wrong! I did The Test Drive and got more Facebook posts and emails to my website than you could imagine. Fans thought I had retired, but once they saw me on those station websites, they realized I was still recording and touring. The Test Drive was invaluable to me in spreading the word on my new Legendary Friends & Duets project."

-T.G. Sheppard

"I first learned of The Test Drive from my radio promotions gal Jan Woods. She recommended that I use the service and it helped me land my first Top 40 single on the Music Row chart, with my debut single. I have used this service twice now, and my second single had gone Top 30. The Test Drive gave me exposure in front of these radio programmers that I otherwise would not have received."

-Denny Strickland

"I love the concept of The Test Drive. It allows us at Curb Records to showcase our artists to radio stations that we may not get a chance to visit while on a radio tour. Getting the feedback from the stations on what their audience is saying about the single and artist is great information."

-Jeff Tuerff,  
VP/Marketing

Country Never Goes Out Of Style

## What Folks Are Saying

*"Shane's song, Country Never Goes Out of Style, is a simple and perfect description of what country living and country music is all about. In listening to it, I can't help but reminisce about the best days of my youth and life in simpler times—when technology was a phone with a cord and a party line, transportation was a bicycle, a horse, or a hand-me-down car with manual windows, and taking the initiative to help someone in need was your pleasure and just the way it was. Though much has changed, I think it's important to keep a focus on our roots—it is a way of life that should never go out of style. Shane has successfully merged yesterday, and today, to remind us that country will always be in style!"*

**Randy Travis**

*"Shane strikes again with his uber cool, note-bending vocals. The gently swaying tune is like a hammock in a spring breeze. And you can bet this pluperfect country stylist means every word of the lyric."*

**Robert K. Oermann**

*"Rarely do you get an out of the box reaction to a song like we have to Shane Owens' 'Country Never Goes Out Of Style'. Listeners are screaming for honest to goodness country and Shane gives it to them! Country is on the verge of another new traditionalists movement like we saw when Travis and Skaggs came on the scene and Shane Owens is poised to help lead the way to prove 'country never goes out of style.'"*
