The CDX-TRACtion weekly newsletter is published on Wed. mornings by CDX, Inc. — Connecting Nashville's music industry and country radio for over 25 years. For more information call 615-292-0123 or email VP/GM Joe Kelly- joe@cdxcd.com

Return Of The Underwood!

Dear Readers;

Carrie! Carrie! Carrie! The **#1** record this week is a return to that lofty position as **CARRIE UNDERWOOD/Church Bells/Arista Nashville (SMN)** re-claims it from **JASON ALDEAN/Lights Come On/Broken Bow Records (BBRMG)**. The top SPIN GAINER this week is **TIM MCGRAW/How I'll Always Be/Big Machine Records (BMLG)** with a **+308** spin week. McGraw also grabs the Most Added award with **27** new adds! Congrats to all on a great week!

Congratulations are also in order for the new singles debuting on the chart this week...

78 DARIUS RUCKER/If I Told You/Capitol Records Nashville (UMGN)

79 PAT GREEN/Day One/Greenhorse Music

80 MICKEY GUYTON/Heartbreak Song/Capitol Records Nashville (UMGN)

Coming soon: We are currently working on the next feature to be included in the weekly chart. That feature is going to be called **"Gaining TRACtion"**. This will be a weekly supplemental chart ranking the singles who have not yet appeared in the top 40 on the TRACtion monitored chart. The panel will consist of the most aggressive stations on the TRACtion Country Monitored panel as proven by their airplay data. For instance, if we had done it this week, the single that would be topping the Gaining TRACtion Breakout Chart would be **BRIAN COLLINS/Healing Highway/Blue Light Entertainment LLC**. The single that would have just graduated from the Gaining TRACtion Breakout Chart would be **OLIVIA LANE/Make My Own Sunshine/Big Spark Music Group**. This will allow you to see the developing singles that are breaking out, and it will highlight the trendsetter stations who are early on singles and have great ears. We want your feedback as we put this new early indicator in place and hopes this activates you to send us your thoughts.

TRACtionTX.COM: The TRACtion Texas monitored chart newsletter is in its second week and Jessie Scott reports that things are going excellently. We have a great panel of stations and the welcome mat has been rolled out by those in the Texas Red Dirt music community. We are appreciative of that and hope you will visit www.tractiontx.com and sign up to receive that chart as well.

Stay tuned,
Joe Kelly

FREE CONTENT FOR YOUR STATION WEBSITE!

Wanna take your listeners on a ride through Music Row? Well, here is your chance! The Test Drive showcases country music's brightest newcomers and legendary hit-makers in a 3-5 minute vignette giving your listeners an exclusive insight on what they are currently doing. Whether a new artist releasing their first song to radio or a legend reminiscing about their past, The Test Drive brings something special for your listeners to enjoy!

It's very simple. We will provide your webmaster with an embed code to place on your homepage. Once that is done, The Test Drive will change every 1st and 15th with a new artist and you have to do nothing more. How can your station make money from this? Well, you can sell it to local car dealers just like WLKV did.

Check it out: <http://www.bigcat1055.com>

TESTIMONIALS

"We released a single to radio and launched it to stations using The Test Drive. It was the first visual of "I Love This Life" that radio and fans got to see. Now, we are celebrating a Top 10 national Billboard hit with this song, but we always remember it had to start somewhere and that was on The Test Drive."

-Preston Brust,
member of LOCASH

"The Test Drive helped expose my music to program directors that initially would not give my song a listen. Having listeners hear it on the station's website really made a difference in getting the station to add my single, which went to #10 on the Music Row chart. I think The Test Drive along with my promoters working hand in hand really helped deliver a Top 10 single for an independent artist."

-Erica Nicole

"I think The Test Drive is one of the coolest things I have done in a long time. Having hits in the 80s, I thought I would never see my songs or projects showcased with radio today. Boy, I was wrong! I did The Test Drive and got more Facebook posts and emails to my website than you could imagine. Fans thought I had retired, but once they saw me on those station websites, they realized I was still recording and touring. The Test Drive was invaluable to me in spreading the word on my new Legendary Friends & Duets project."

-T.G. Sheppard

"I first learned of The Test Drive from my radio promotions gal Jan Woods. She recommended that I use the service and it helped me land my first Top 40 single on the Music Row chart, with my debut single. I have used this service twice now, and my second single had gone Top 30. The Test Drive gave me exposure in front of these radio programmers that I otherwise would not have received."

-Denny Strickland

"I love the concept of The Test Drive. It allows us at Curb Records to showcase our artists to radio stations that we may not get a chance to visit while on a radio tour. Getting the feedback from the stations on what their audience is saying about the single and artist is great information."

-Jeff Tuerff,
