The CDX-TRACtion weekly newsletter is published on Wed. mornings by CDX, Inc. — Connecting Nashville's music industry and country radio for over 25 years. For more information call 615-292-0123 or email VP/GM Joe Kelly- joe@cdxcd.com

Dierks #1 For 2nd Week, Carrie Most Added By A Nose, Kenny and Pink Still On Fire! Plus! We Welcome Six New Singles To The Chart As They Debut This Week! A Peek At The TRACtion Texas Chart Is Here!

Dear Readers;

We have added the **TRACtion Texas** chart to this week's Mainstream Country chart newsletter as an added feature to you. It continues to provide the most accurate snapshot of the Texas Red Dirt music scene. One thing to note...some of these artists are starting to creep higher and higher on the Mainstream Country chart as more Texas Red Dirt music is being featured on Country Radio nationwide. Artists like **Aaron Watson, Granger Smith, Cody Johnson, Cody Jinks** and **Randy Rogers Band** are leading that charge and making a great statement. Kudos to the programmers who are embracing this music for which there is clearly a rabid fan-base of listeners.

For those enjoying CDX TRACtion beta test accounts, please be aware that the free trial period for many accounts is set to end after the Labor Day holiday. If your trial period is ending (or has ended), you will be prompted to setup a monthly subscription the next time that you sign in. Paid subscribers will continue to enjoy access to the detailed tracking and radio station detection data and reports. CDX TRACtion offers a lot of bang for the buck. We have priced the monthly tracking far below the other radio tracking services in an effort to keep things affordable for everyone. And we also monitor far more stations (currently 630+) than anyone else.

The monitored **MAINSTREAM COUNTRY CHART PANEL** has a few changes this week. We said hello last week to **KTXR-FM in Springfield, MO**. Mr Meyer is programming a unique blend of new country music and adding in Texas red dirt too. Welcome him here: manger@radiospringfield.com This week we are dropping WKFC-FM (London, KY), WUPY-FM (Ontonagon, MI), and KYTN-FM (Union City, TN) from the panel. They will still be monitored and visible in CDX TRACtion but will no longer count toward the chart.

Congratulations to **DIERKS BENTLEY (FEATURING ELLE KING) "Different For Girls" Capitol Records Nashville (UMGN)** for a **SECOND WEEK #1**...and also to **CARRIE UNDERWOOD "Dirty Laundry" 19 Recordings Limited / Arista Nashville** for garnering **MOST ADDED** with 36 new adds!!! Congratulatory shout out to **KENNY CHESNEY (FEATURING PINK) "Setting The World On Fire" Columbia Nashville (SMN)** for setting the **SPIN GAINER** on fire too!

Big shout out to the following for debuting on the chart this week! **CARRIE UNDERWOOD/Dirty Laundry/19 Recordings Limited / Arista Nashville**, **ERIC CHURCH/Kill A Word/EMI Records Nashville (UMGN)**, **VINCE GILL/Me And My Girl/MCA Records (UMGN)**, **JANA KRAMER/Circles/Elektra Nashville (WMN)**, **BOBBY WILLS/Down By The River/MDM**, and **SHANE OWENS/Country Never Goes Out Of Style/AmeriMonte Records**.

Stay tuned,
Joe Kelly

FREE CONTENT FOR YOUR STATION WEBSITE!

Wanna take your listeners on a ride through Music Row? Well, here is your chance! The Test Drive showcases country music's brightest newcomers and legendary hit-makers in a 3-5 minute vignette giving your listeners an exclusive insight on what they are currently doing. Whether a new artist releasing their first song to radio or a legend reminiscing about their past, The Test Drive brings something special for your listeners to enjoy!

It's very simple. We will provide your webmaster with an embed code to place on your homepage. Once that is done, The Test Drive will change every 1st and 15th with a new artist and you have to do nothing more. How can your station make money from this? Well, you can sell it to local car dealers just like WLVK did. Check it out: <http://www.bigcat1055.com>

TESTIMONIALS

"We released a single to radio and launched it to stations using The Test Drive. It was the first visual of "I Love This Life" that radio and fans got to see. Now, we are celebrating a Top 10 national Billboard hit with this song, but we always remember it had to start somewhere and that was on The Test Drive."

-Preston Brust, member of LOCASH

"The Test Drive helped expose my music to program directors that initially would not give my song a listen. Having listeners hear it on the station's website really made a difference in getting the station to add my single, which went to #10 on the Music Row chart. I think The Test Drive along with my promoters working hand in hand really helped deliver a Top 10 single for an independent artist."

-Erica Nicole

"I think The Test Drive is one of the coolest things I have done in a long time. Having hits in the 80s, I thought I would never see my songs or projects showcased with radio today. Boy, I was wrong! I did The Test Drive and got more Facebook posts and emails to my website than you could imagine. Fans thought I had retired, but once they saw me on those station websites, they realized I was still recording and touring. The Test Drive was invaluable to me in spreading the word on my new Legendary Friends & Duets project."

-T.G. Sheppard

"I first learned of The Test Drive from my radio promotions gal Jan Woods. She recommended that I use the service and it helped me land my first Top 40 single on the Music Row chart, with my debut single. I have used this service twice now, and my second single had gone Top 30. The Test Drive gave me exposure in front of these radio programmers that I otherwise would not have received."

-Denny Strickland

"I love the concept of The Test Drive. It allows us at Curb Records to showcase our artists to radio stations that we may not get a chance to visit while on a radio tour. Getting the feedback from the stations on what their audience is saying about the single and artist is great information."

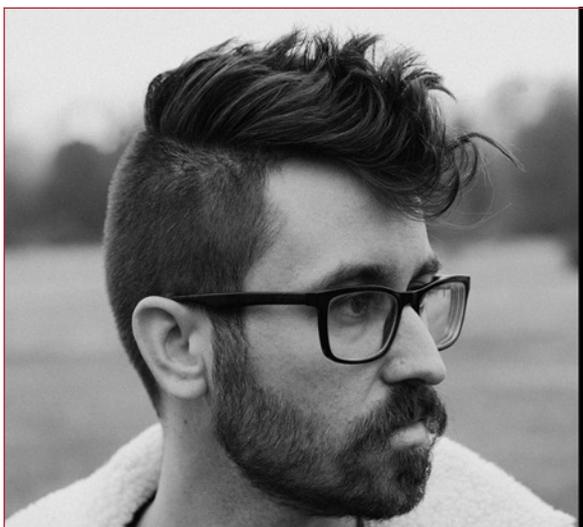

-Jeff Tuerff, VP/Marketing Curb Records
