The CDX-TRAction weekly newsletter is published on Wed. mornings by CDX, Inc. — Connecting Nashville's music industry and country radio for over 25 years. For more information call 615-292-0123 or email VP/GM Joe Kelly- joe@cdxcd.com

JAKE OWEN Claims Top Spot!

Dear Readers;

JAKE OWEN "American Country Love Song" RCA Nashville (SMN) **#1**

ERIC CHURCH "Kill A Word" EMI Records Nashville (UMGN) **Most Added!**

KEITH URBAN "Blue Ain't Your Color" Capitol Records Nashville (UMGN) **Spin Gainer!**

Congratulations to these fine folks!

I hope everyone had a relaxing Labor Day weekend! It certainly was for us and we are back with renewed vigor to put great music out to the people and show everyone where that airplay is taking place. Most of the CDX TRAction free trials have come to an end and we have now launched under an unlimited access subscription model. We still offer a trial subscription to anyone who has never had an opportunity to test out the app and review the airplay tracking data. If you've never had an account, send me an email for an invite code that will give you 30 days of free access.

We are gearing up for the 4th quarter and assembling CDX Volume 640. We are servicing singles each week as stand alone Instatrack blasts and weekly digest blasts on Tuesday mornings leading up to the assembly deadline of Sept. 22nd. The hard copy will go out on October 10th. The bottom line is WE GET A SINGLE TO RADIO instantly. The single will then follow on every Tuesday morning Digest Blast until it goes out on the hard copy CD.

For those of you that will have a Christmas single, the annual CDXMAS SPECIAL is back in effect! The deadline to make the CDXMAS Volume is October 27th. The CDXMAS Volume will go out on November 14th! The price is always the CDXMAS special of \$1,000.00.

Congratulations to the following for making their TRAction Monitored chart debut this week!

- 74 SMITH & WESLEY/You're The One/Garage Door Records
- 79 MARK CHESNUTT/Oughta Miss Me By Now/Row Entertainment
- 80 CHRIS LANE/For Her/Big Loud Records

Stay tuned,
Joe Kelly

We want to celebrate the life of **Kacey Jones**, who sadly passed away on September 1st. We will miss her amazing music and great sense of humor.

"I was proud to call Kacey Jones my friend. Through the years we shared many laughs; who didn't laugh when they were with Kacey. She was the consummate professional; not only was she a great writer and singer, her sense of timing on stage was about the best I've ever seen. She could hold a room with her guitar, humor and great timing."

Speaking of great timing, we wanted to share once again her single "Donald Trump's Hair". Listen and enjoy.

Thank you, Kacey. You are greatly missed."

FREE CONTENT FOR YOUR STATION WEBSITE!

Wanna take your listeners on a ride through Music Row? Well, here is your chance! The Test Drive showcases country music's brightest newcomers and legendary hit-makers in a 3-5 minute vignette giving your listeners an exclusive insight on what they are currently doing. Whether a new artist releasing their first song to radio or a legend reminiscing about their past, The Test Drive brings something special for your listeners to enjoy!

It's very simple. We will provide your webmaster with an embed code to place on your homepage. Once that is done, The Test Drive will change every 1st and 15th with a new artist and you have to do nothing more. How can your station make money from this? Well, you can sell it to local car dealers just like WLKV did.

Check it out: <http://www.bigcat1055.com>

TESTIMONIALS

"We released a single to radio and launched it to stations using The Test Drive. It was the first visual of "I Love This Life" that radio and fans got to see. Now, we are celebrating a Top 10 national Billboard hit with this song, but we always remember it had to start somewhere and that was on The Test Drive."

-Preston Brust,
member of LOCASH

"The Test Drive helped expose my music to program directors that initially would not give my song a listen. Having listeners hear it on the station's website really made a difference in getting the station to add my single, which went to #10 on the Music Row chart. I think The Test Drive along with my promoters working hand in hand really helped deliver a Top 10 single for an independent artist."

-Erica Nicole

"I think The Test Drive is one of the coolest things I have done in a long time. Having hits in the 80s, I thought I would never see my songs or projects showcased with radio today. Boy, I was wrong! I did The Test Drive and got more Facebook posts and emails to my website than you could imagine. Fans thought I had retired, but once they saw me on those station websites, they realized I was still recording and touring. The Test Drive was invaluable to me in spreading the word on my new Legendary Friends & Duets project."

-T.G. Sheppard

"I first learned of The Test Drive from my radio promotions gal Jan Woods. She recommended that I use the service and it helped me land my first Top 40 single on the Music Row chart, with my debut single. I have used this service twice now, and my second single had gone Top 30. The Test Drive gave me exposure in front of these radio programmers that I otherwise would not have received."

-Denny Strickland

"I love the concept of The Test Drive. It allows us at Curb Records to showcase our artists to radio stations that we may not get a chance to visit while on a radio tour. Getting the feedback from the stations on what their audience is saying about the single and artist is great information."
