The CDX-TRACtion weekly newsletter is published on Wed. mornings by CDX, Inc. — Connecting Nashville's music industry and country radio for over 25 years. For more information call 615-292-0123 or email VP/GM Joe Kelly- joe@cdxcd.com

Kenny Chesney (and Pink) Torch The Top Spot With "Setting The World On Fire"

Dear Readers;

This week we find ourselves saying goodbye to Summer and welcoming the Fall breeze as we sail into the 4th Quarter. Which brings to mind all things pumpkin spice, turkey and dressing, and the man in the red suit. Speaking of the man in the red suit, it's time to plan your holiday release! We are, once again, preparing for the CDXMAS. The CDX Christmas volume is beginning assembly now and the deadline will be October 27th. This volume tends to fill up quickly though so if it is on your agenda, please upload your assets at <https://www.cdxcd.com/artist-label-upload-center/> as soon as possible.

Many thanks to those of you who have subscribed to the CDX TRACtion tracking. If you haven't yet, you are missing out on a wonderful tool to use as precision GPS for an artist career. If you are a radio programmer, your account is always ready and waiting for you to simply take advantage of by requesting an invite code. Please shoot me an email and I will send you one. Many programmers have told us how valuable it is to review their own airplay data. In addition, many find it to be a great tool for investigating the national airplay story on singles they are considering.

I'd like to congratulate **KENNY CHESNEY (FEATURING PINK)** and **Columbia Nashville (SMN)** for topping the chart with **"Setting The World On Fire"**. And I'd like to give shout out to everyone at the CMA and all who played a role in **ARTISTS OF THEN, NOW & FOREVER "Forever Country" Country Music Association, Inc.** You nailed it on this one and we salute you. The single garners both the **Most Added** and **Greatest Spin Gainer** this week.

Congratulations to the following for making their Top 80 Chart debut or re-entering this week.....

- 44 ARTISTS OF THEN, NOW & FOREVER/Forever Country/Country Music Association, Inc
- 51 JON PARDI/Dirt On My Boots/Capitol Records (UMG)
- 70 JOE NICHOLS/Undone/Broken Bow Records (BBRMG)
- 76 MARK CHESNUTT/Oughta Miss Me By Now/Row Entertainment
- 77 SAM AUSTIN/Saving It Up For Saturday Night/Plateau Music
- 79 BRANDY CLARK/Love Can Go To Hell/Warner Bros. Records (WMN)

Stay tuned,
Joe Kelly

CDX VP/GM joe@cdxcd.com

Believe it or not, in 2016 artists that scored hit singles in the 80s and 90s are being considered 'classic country' artists. With radio stations that report to the Billboard and Country Aircheck chart playing very few artists from the 80s and 90s, The Hot Seat in association with Webster Public Relations has created a way to bring the latest news, album updates, and profile segments on those artists to country listeners. These online segments are updated frequently and featured on the stations website.

Artists from Dolly Parton, Kenny Rogers, Brenda Lee, Sylvia, Janie Fricke, Lorrie Morgan, T.G. Sheppard, among so many others are releasing new music without fans ever hearing or learning about this music. Now, that wait is over!!!
