Kenny Chesney Tops Chart for the 4th Week!

Dear Readers;

Congratulations to **Kenny Chesney (Feat. Pink) and Columbia Nashville (SMN)** for a 4 week #1! Quite an impressive feat.

Radio stations monitored by TRACtion often become more engaged artist/label marketing partners by getting more opportunities to offer their listeners promotional initiatives such as t-shirt and ticket giveaways, meet-n-greets and more.

Other benefits of being monitored include:

Free login access to monitor your tracked spins for an easy at-a-glance comparison to make sure your automated system is performing as expected.

- Information on what is being played on other stations
- Access to tracking on individual songs for help in making programming decisions
- Customizable and exportable reports including; airplay by artist, song, station, day part, sales market and much more...

We want all radio stations to have access to TRACtion as a programming tool. It doesn't matter if you are currently monitored, are currently a chart monitored panel station, who else you report to, or anything else. As long as you play country music, we want you to have access to use this tool. Please email me at joe@cdxcd.com to have an invite code sent to you.

Kudos to **BRAD PAISLEY "Today" Arista Nashville (SMN)** on **Most Added** and **Spin Gainer** this week.

Congratulations to the following for making their chart debuts this week...

- 43 **BRAD PAISLEY/Today/Arista Nashville (SMN)**
- 52 **GARTH BROOKS/Baby, Let's Lay Down And Dance/Pearl Records Inc.**
- 79 **JAKE OWEN/If He Ain't Gonna Love You/RCA Nashville (SMN)**

Stay tuned,
Joe Kelly

Believe it or not, in 2016 artists that scored hit singles in the 80s and 90s are being considered 'classic country' artists. With radio stations that report to the Billboard and Country Aircheck chart playing very few artists from the 80s and 90s, The Hot Seat in association with Webster Public Relations has created a way to bring the latest news, album updates, and profile segments on those artists to country listeners. These online segments are updated frequently and featured on the stations website.

Artists from Dolly Parton, Kenny Rogers, Brenda Lee, Sylvia, Janie Fricke, Lorrie Morgan, T.G. Sheppard, among so many others are releasing new music without fans ever hearing or learning about this music. Now, that wait is over!!!
