Luke Bryan "MOVE" (s) to #1!

Dear Readers;

I must confess, I just got back from the beach. A few days of rest and relaxation has renewed and refreshed an old record guy. We are fast approaching Halloween and I heard rumor of a CDX office costume party on Monday. If you are in the area on Monday, stop by and vote for your favorite costume. I wish everyone could experience working here at CDX. We love what we do and there is a "fun factor" built in to everything we do. After all, we are in the entertainment business! If we aren't having fun, something is wrong. We have had artist visits recently by some amazing new artists and heard some incredible songs and singers. Buckle up and get ready!

Congratulations to **LUKE BRYAN** and all our friends at **Capitol Records Nashville (UMGN)** for topping the CDX TRACtion chart this week at **#1** with **"Move"**! Also, huge congrats to **GARTH BROOKS** and everyone at **Pearl Records Inc.** for garnering Most Added and Greatest Spin Gainer on **"Baby, Let's Lay Down And Dance"**

Big shout out to these fine artists and labels for making a re-entry or a chart debut this week!

Believe it or not, in 2016 artists that scored hit singles in the 80s and 90s are being considered 'classic country' artists. With radio stations that report to the Billboard and Country Aircheck chart playing very few artists from the 80s and 90s, The Hot Seat in association with Webster Public Relations has created a way to bring the latest news, album updates, and profile segments on those artists to country listeners. These online segments are updated frequently and featured on the stations website.

Artists from Dolly Parton, Kenny Rogers, Brenda Lee, Sylvia, Janie Fricke, Lorrie Morgan, T.G. Sheppard, among so many others are releasing new music without fans ever hearing or learning about this music. Now, that wait is over!!!
