Aldean Tops For A Second Week! A First For Us & Holiday Charts Announced

Dear Readers;

We have a two week number one for Jason Aldean this week! Hearty congratulations to **Jason Aldean** and the gang at **Broken Bow Records (BBRMG)** for topping the chart again this week with **"A Little More Summertime."** This year we have had several singles have a multi-week run at #1. However, this week we have a first for the CDX TRACtion Monitored Country Chart. We have a single that repeats as **Greatest Spin Gainer** and **The Most Added**. Huge congratulatory shout out to **Little Big Town** and everyone at **Capitol Records Nashville (UMG)** for securing those distinctions again this week with **"Better Man."**

The CDX TRACtion Monitored Chart will close for the last time this year on Monday December 12th at midnight. The chart will publish on Wednesday December 14th. We will be frozen for the rest of the year.

We will be publishing a year end chart of all the singles since our inception to the end of our chart year later that week! Get your year end ads together for that issue and if you want to reserve space, let me know.

Many thanks to all of you who reached out and chimed in with words of encouragement regarding the radio programmer feedback in last week's issue. We agree with all of you that this type of feedback from our panel is needed and we are going to make it a focus.

Congratulations to the following for making their chart debut this week!

WILLIAM MICHAEL MORGAN/Missing/Warner Bros. Records (WMN)

AARON WATSON/Outta Style/BIG Label Records / Thirty Tigers

HUNTER HAYES/Yesterday's Song/Atlantic (WMN)

Stay tuned,
Joe Kelly

Believe it or not, in 2016 artists that scored hit singles in the 80s and 90s are being considered 'classic country' artists. With radio stations that report to the Billboard and Country Aircheck chart playing very few artists from the 80s and 90s, The Hot Seat in association with Webster Public Relations has created a way to bring the latest news, album updates, and profile segments on those artists to country listeners. These online segments are updated frequently and featured on the stations website.

Artists from Dolly Parton, Kenny Rogers, Brenda Lee, Sylvia, Janie Fricke, Lorrie Morgan, T.G. Sheppard, among so many others are releasing new music without fans ever hearing or learning about this music. Now, that wait is over!!!
