Please email us your Going For Adds and your pictures of your radio tour visits for inclusion in this weekly chart newsletter.

We are very pleased to be able to offer monitoring and another tool for both radio and records to utilize. We are looking forward to a big year end chart issue on Friday December 16th that will feature the Country top 200 since our inception to the end of the chart year.

TRAction only recognizes detections on songs that have been "fingerprinted." We do our best to obtain and fingerprint all new releases; songs serviced through CDX are encoded automatically. A song .wav file and information can also be sent to [chart-editor@cdxnashville.com](mailto:chart-editor@cdxnashville.com).

Believe it or not, in 2016 artists that scored hit singles in the 80s and 90s are being considered 'classic country' artists. With radio stations that report to the Billboard and Country Aircheck chart playing very few artists from the 80s and 90s, The Hot Seat in association with Webster Public Relations has created a way to bring the latest news, album updates, and profile segments on those artists to country listeners. These online segments are updated frequently and featured on the stations website.

Artists from Dolly Parton, Kenny Rogers, Brenda Lee, Sylvia, Janie Fricke, Lorrie Morgan, T.G. Sheppard, among so many others are releasing new music without fans ever hearing or learning about this music. Now, that wait is over!!!
