The CDX-TRACtion weekly newsletter is published on Wed. mornings by CDX, Inc. — Connecting Nashville's music industry and country radio for over 25 years. For more information call 615-292-0123 or email VP/GM Joe Kelly- [joe@cdxcd.com](mailto:joe@cdxcd.com)

## You Are Airing Some "Dirty Laundry" To Start The Year!

### Dear Readers;

Welcome to 2017! So excited to get this year underway and get to the business at hand...empowering radio and artists! We wanted to publish a chart last week, but we knew that we needed a full week of detection data after the first of the year to allow things to normalize. That's our responsibility as chart editors and as a publisher. (And remember, to be a TRACtion chart monitored station, you simply have to maintain your stream. We do the rest.) You will notice that there is no spin delta or LW information on this chart. This is purposeful so that the year starts fresh after the freeze.

We are so excited to congratulate **CARRIE UNDERWOOD** and the gang at 19 Recordings Limited/Arista Nashville for hitting **#1** this week with **"Dirty Laundry."** Also, congrats to **KENNY CHESNEY** and the fine folks at Columbia Nashville (SMN) for being the **MOST ADDED** and highest debut with **"Bar At The End Of The World."** Also debuting this week is **BROTHERS OSBORNE** **"It Ain't My Fault"** from EMI Records Nashville (UMGN).

We hear big CRS plans being made everyday and are looking forward to the event. We hope to see you all there. We are not able to host a Super Bowl watch party this year since neither the CRB or the NFL consulted with us on the dates. However, we will be at the seminar and ready to learn, talk shop, hear music and have some fun.

We will soon be implementing a two factor authentication system into the TRACtion tracking software interface to further secure the system for our users. This prevents the sharing of log in credentials. More to come soon and we will keep you informed.

Stay tuned,  
**Joe Kelly**

TRAction only recognizes detections on songs that have been "fingerprinted." We do our best to obtain and fingerprint all new releases; songs serviced through CDX are encoded automatically. A song .wav file and information can also be sent to [chart-editor@cdxnashville.com](mailto:chart-editor@cdxnashville.com).

Believe it or not, in 2016 artists that scored hit singles in the 80s and 90s are being considered 'classic country' artists. With radio stations that report to the Billboard and Country Aircheck chart playing very few artists from the 80s and 90s, The Hot Seat in association with Webster Public Relations has created a way to bring the latest news, album updates, and profile segments on those artists to country listeners. These online segments are updated frequently and featured on the stations website.

Artists from Dolly Parton, Kenny Rogers, Brenda Lee, Sylvia, Janie Fricke, Lorrie Morgan, T.G. Sheppard, among so many others are releasing new music without fans ever hearing or learning about this music. Now, that wait is over!!!
