## March Madness Is Upon Us And It Doesn't All Have To Do With Basketball Dirt On My Boots & Jon Pardi #1 For 2nd Week!

### Dear Readers;

This past week we have fielded several questions about spin totals on the chart overall. Here is a brief explanation of why we saw lower spin totals last week. Between many stations being frozen due to their uptime percentages falling below our threshold, the 5+ hour Amazon Web Services outage last week, plus college basketball programming due to all of the tournaments that have been going on (we did see lower detection totals during March Madness last year), there was a perfect storm that lowered our detection numbers across the board. We have contacted most all of the stations whose streams have been down and have rectified most of those situations. Amazon Web Services probably fired the guy who made the coding typo that took down the internet for a lot of customers. And March Madness will be over soon. The good thing is that all records were affected evenly so chart positions remained steady and spin levels returned to normal this week. Thanks everyone!

Congrats to **JON PARDI** and **Capitol Records (UMG)** for second week at **#1** with “**Dirt On My Boots.**” And also to **BRETT ELDREDGE** and **Atlantic (WMN)** for garnering **Most Added** and **Greatest Spin Gainer** this week with “**Something I’m Good At.**”

A big CDX shout out to these great artists and singles for making their chart debut this week....

**LANCO/Greatest Love Story/Arista Nashville (SMN)**

**AUBRIE SELLERS/Liar Liar/Atlantic Records / Warner Bros. / WAR**

**RECKLESS KELLY/Forever Today/No Big Deal Records**

Have fun filling out those brackets!

Stay tuned,  
**Joe Kelly**

**B**elieve it or not, in 2017 artists that scored hit singles in the 80s and 90s are being considered 'classic country' artists. With radio stations that report to the Billboard and Country Aircheck charts playing very few artists from the 80s and 90s, The Hot Seat, in association with Webster Public Relations, has created a way to bring the latest news, album updates, and profile segments on those artists to country listeners. These online segments are updated on the 1st & 15th and are featured on the station's website.

Artists from Dolly Parton, Kenny Rogers, Brenda Lee, Sylvia, Janie Fricke, Lorrie Morgan, T.G. Sheppard, among so many others are releasing new music without fans ever hearing or learning about this music. Now, that wait is over!!!
