LAUREN ALAINA Takes Road Less Traveled Right to #1 For 2nd Week!

Dear Readers;

I trust you all have made it back from Las Vegas and there were no moments resembling the Hangover movies. There has been a lot of debate over the quality of these award shows, in a lot of areas. It seems there is always someone harping over artists outside the format, the audio quality, the choice of awards to televise or not, who performed and more often...who didn't. This scribe will offer this opinion. Our format was, once again, shown on national television in prime time. Period. There will always be things that looked better on paper in the production meetings. There will always be back room deals to get slots. There will always be performances artists would like a do-over on for one reason or another. My point is let's all try and lift each other up and celebrate the mass exposure these shows bring to country music. A rising tide raises all boats. On to some chart chat...

Speaking of great award show moments...Let's all congratulate **FAITH HILL & TIM MCGRAW** "Speak To A Girl" Arista Nashville (SMN) for not only being a show stopper on the ACM Awards Show, but also for garnering **Greatest Spin Gainer (+883)** and **Most Added (66 Adds)** this week! We need these superstars to do just this in our format!

It may have taken **34** weeks for **Lauren Alaina** to grab the top spot on the TRACtion chart, but she isn't ready to relinquish that spot. Congratulations to her and all our fine friends at **Mercury Records (UMGN)** for a **2nd week #1** on "Road Less Traveled."

Huge shout out to these great singles for making their chart debut this week!

Believe it or not, in 2017 artists that scored hit singles in the 80s and 90s are being considered 'classic country' artists. With radio stations that report to the Billboard and Country Aircheck charts playing very few artists from the 80s and 90s, The Hot Seat, in association with Webster Public Relations, has created a way to bring the latest news, album updates, and profile segments on those artists to country listeners. These online segments are updated on the 1st & 15th and are featured on the station's website.

Artists from Dolly Parton, Kenny Rogers, Brenda Lee, Sylvia, Janie Fricke, Lorrie Morgan, T.G. Sheppard, among so many others are releasing new music without fans ever hearing or learning about this music. Now, that wait is over!!!
