Believe it or not, in 2017 artists that scored hit singles in the 80s and 90s are being considered 'classic country' artists. With radio stations that report to the Billboard and Country Aircheck charts playing very few artists from the 80s and 90s, The Hot Seat, in association with Webster Public Relations, has created a way to bring the latest news, album updates, and profile segments on those artists to country listeners. These online segments are updated on the 1st & 15th and are featured on the station's website.

Artists from Dolly Parton, Kenny Rogers, Brenda Lee, Sylvia, Janie Fricke, Lorrie Morgan, T.G. Sheppard, among so many others are releasing new music without fans ever hearing or learning about this music. Now, that wait is over!!!
