## Luke Combs Stays On Top!

### Dear Readers;

We are one month in on the telecommuting experiment. We moved our offices to our respective homes and haven't looked back. What prompted us to try this experiment was our 4 years in software development. We worked with coders and programming teams all over the world and they were consistently surprised that we continued to maintain offices downtown. We started to feel like maybe they had a point. We had to ask ourselves a question. Why, in today's world of technology, can't we conduct business from anywhere? So far, it is fantastic. Please remember that artist trade visits and video shoots are held at Webster PR. We encourage all of you to check out the videos at [www.cdxcd.com](http://www.cdxcd.com) of all the amazing talent we have had the opportunity to distribute, shoot and edit. Our radio friends should also take a look at The Pickup Feature that Webster PR will provide you for your website. It is amazing FREE content for your website that is updated regularly.

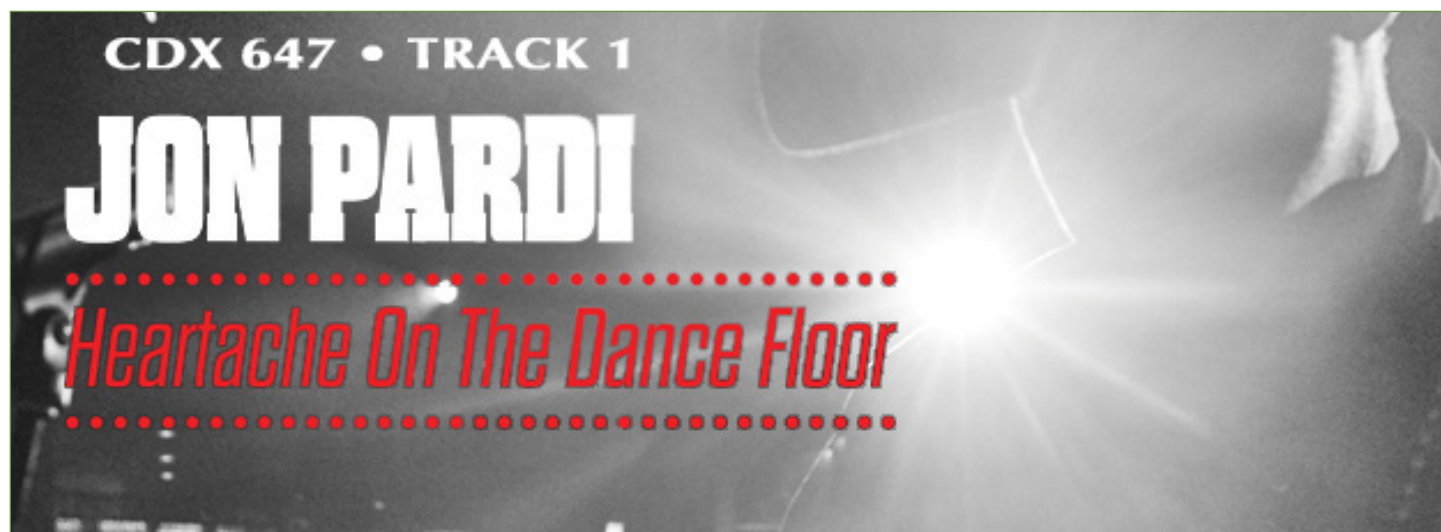

**LUKE COMBS** and **Columbia/River House** should be proud to garner the top spot on the chart for the second week! **THOMAS RHETT (FT. MAREN MORRIS)/Craving You/Valory Music Co. (BMLG)** is the **Greatest Spin Gainer** and **JON PARDI/Heartache On The Dance Floor/Capitol Records Nashville (UMGN)** is **The Most Added**. We had three singles take a bow this week with a their chart debut.

- 75 **WALKER MCGUIRE/Til Tomorrow/Cor Records**
- 76 **DELTA RAE/A Long And Happy Life/Valory Music Co. (BMLG)**
- 80 **RICH O'TOOLE/American Kid/PTO Records**

We are gearing up for a big summer of releases and you can see below that the flow of great singles to choose from is robust. If you need access to the free digital download center that contains all the great current releases as well as our entire 26 year library, let us know. In addition, the TRACtion Monitoring system tracking is available to radio station personnel and all industry.

Stay tuned,  
**Joe Kelly**

**B**elieve it or not, in 2017 artists that scored hit singles in the 80s and 90s are being considered 'classic country' artists. With radio stations that report to the Billboard and Country Aircheck charts playing very few artists from the 80s and 90s.

The Hot Seat, in association with Webster Public Relations, has created a way to bring the latest news, album updates, and profile segments on not only those artists, but also big-name artists to country listeners. These online segments are updated on the 1st & 15th of each month and are featured on the station's website.

Artists from Dolly Parton, Hank Williams Jr., LOCASH, Sylvia, Big & Rich, Lorrie Morgan, Justin Moore, among so many others are releasing new music today, and you can find it all right here on The Pickup.
