Believe it or not, in 2017 artists that scored hit singles in the 80s and 90s are being considered classic country artists. With radio stations that report to the Billboard and Country Aircheck charts playing very few artists from the 80s and 90s.

The Hot Seat, in association with Webster Public Relations, has created a way to bring the latest news, album updates, and profile segments on not only those artists, but also big-name artists to country listeners. These online segments are updated on the 1st & 15th of each month and are featured on the station's website.

Artists from Dolly Parton, Hank Williams Jr., LOCASH, Sylvia, Big & Rich, Lorrie Morgan, Justin Moore, among so many others are releasing new music today, and you can find it all right here on The Pickup.
