Heartbroken.

Dear Readers;

Heartbroken. We are heartbroken at the events that happened in Las Vegas. Our thoughts and prayers are with the victims and their families. Our thoughts and prayers are also with everyone whose lives will forever be changed by this senseless act of violence. The people who attend concerts, the people who hold concerts and the people who play concerts. All will be changed by this event going forward. We also said goodbye to Tom Petty. Thanks for the music, Tom. R.I.P. Tragic week.

Believe it or not, in 2017 artists that scored hit singles in the 80s and 90s are being considered classic country artists. With radio stations that report to the Billboard and Country Aircheck charts playing very few artists from the 80s and 90s.

The Hot Seat, in association with Webster Public Relations, has created a way to bring the latest news, album updates, and profile segments on not only those artists, but also big-name artists to country listeners. These online segments are updated on the 1st & 15th of each month and are featured on the station's website.

Artist from Dolly Parton, Hank Williams Jr., Kid Rock, Sylvia, Big & Rich, The Judds, Justin Moore, among so many others that are releasing new music today, and you can find it all right here on The Pickup.
