Surging & Emerging Methodology

These positive momentum tracks have not yet debuted in the Top 80 and feature both increased detections and new station adds. Ranked by total chart panel detections, they appear to be building toward a chart debut in the near future.

We are in uncharted waters... Our brothers and sisters that play music for a living are among the hardest hit. CDX Nashville would like to extend the use of our performance studios and equipment for any artist who would like to play a virtual show online. Contact me at joe@cdxnashville.com to schedule. Best wishes and WASH YOUR HANDS!
